Frosh Mixer In Fieldhouse Is Huge Success

Enthusiastic Freshmen Vote In Favor Of Fresh Rules

KANGAROO COURT

To Try All Violators Of Regulations—Buttons And Caps Chosen

Unusual enthusiasm and good will, shown consistently by the Freshman class during the past week, reached its peak last night at the Frosh Mixer held in the fieldhouse under the auspices of the student council.

Contests, cheering, and songs learned in preparation for the gridiron season were merrily entered into by the first year men. Following the events in the fieldhouse, talks by members of the faculty and heads of various extra-curricular activities were given in the Union House.

The class of 1939 has shown great activity in its short stay at Xavier. A vote was taken last Monday and it was decided by the Freshmen that they should wear identification buttons, school caps, and that they would accept rules and regulations at the discretion of the Sophomore class.

These rules and regulations are now being drawn up by a committee of the student council and will be presented at the next Frosh class meeting.

Council authorities have stated that there will positively be no indiscriminate paddling. Any censure which will be placed upon individual members of the Freshmen class will be done in conjunction with a "Kangaroo Court" at which violators of the rules will be tried.

As yet no "Papa" has been appointed for the Freshmen but Phil Bucklew, council president, will announce the selection at the time of the regulations announcement.

Undergraduate "X" Club Selects Leo Sack As President

Leo "Twinkle-Toes" Sack, veteran star of Xavier football and basketball teams, was elected president of the undergraduate "X" Club at its initial meeting of the year Tuesday. Sack succeeds James Coleman who was graduated in June.

Freddy Wunderlich was elected to the post of vice-president; Dominic Sigillo, secretary; Frank Overbeck, treasurer; and Joe Kruse, sergeant-at-arms.

An active season has been planned by Sack who has called the next meeting of the organization for next Tuesday at 2:10 in room 109.

Trip To Bermuda Will Be Offered Winning Ticket Holder

Catholic Women's Club To Select Winner At Junior Service Follies, Oct. 4-5

A trip to Bermuda is the prize offered the holder of the winning ticket at the Junior Service Follies which will be presented October 5 and 6 at Taft Auditorium.

Two New York directors, Mr. Larry Doyle and Mr. Arthur Seelig, have charge of the Review which will include the latest in dance steps and song skits. The talent, according to the two producers, is unusually good and a show equal to any professional performance has been promised.

The complete cast, which will include many names familiar to Xavier students, will be ready for announcement next week. The most accomplished soloists among the younger set in the city have been already secured.

The advance sale of tickets is being handled by the Junior Service with headquarters in the Catholic Women's Club, 518 E. Fourth St. Tickets may be secured either at the Club or may be secured from the Editor of the Xavierian News.

Xavier's Blond Rockne

Athletic Director Joseph A. Meyer, pictured above, will begin his sixteenth consecutive year as athletic director and head coach at Xavier tomorrow evening when the Musketeers open the season against the Georgetown Tigers. During his fifteen years, Meyer has never encountered a losing season and has raised the standard of athletics at Xavier to a position second only to Ohio State in the state. He has seen the athletic plant grow from a field surrounded by wooden benches into

a concrete stadium with a seating capacity of sixteen thousand, and a fieldhouse capable of seating six thousand. Under him, Xavier's opponents have been changed from Ohio Conference squads to teams as noted as Centenary, Indiana, Kentucky, Mississippi, Carnegie, and the like. Joe Meyer has seen material of various caliber come and go and has always managed to be successful. And the chief reason—Joe Meyer has never changed; he stands among the top ranking coaches in the country in regard to deserving success.

Cincinnati Museum Plans Art Course

Sponsored By Carnegie Corporation, Study Will Begin In October

Announcement of an experimental course for adults in the Appreciation of the Arts, sponsored by the Carnegie Institute of New York and the Cincinnati Art Museum, was received by University authorities during the past week.

The course to be held in the Art Museum will begin in mid-October. Its aim is to provide a foundation for appreciation and discrimination of art. No previous training is required. The first year will be devoted to an intensive study of the fundamental principles underlying art as demonstrated in drawing, painting, sculpture, architecture, and the decorative arts.

There will be 24 meetings of the class. For convenience and availability, lectures will be divided into three sections. Section One will meet Saturday mornings from ten until twelve; Section Two, Tuesday afternoons from three until five; and Section Three, Tuesday evenings from seven until nine. The work in the three sections will be identical. The two hour period will be divided as follows: the first hour will be devoted to a lecture with slides and illustrative material followed by discussion; the second hour will be devoted to practical laboratory or studio exercises and criticism of outside problems. The course will be climaxed by a visit to private art collections in Cincinnati.

The lectures will be conducted by Mr. Walter H. Siple and Mrs. Walter H. Siple. The demonstrations which will consist of paintings, drawings, and models executed and discussed before the class, will be given by artists and designers from the Art Academy and the University of Cincinnati. The laboratory work will be in charge of Miss Marion Chamberlain, Miss Mary P. Thayer, Mr. Harold J. Pyke, and Mr. Mathias J. Nohelmer.

Credit will be granted by the following institutions to students satisfactorily completing the work: Teachers College, University of Cincinnati; Xavier University, and the Teachers College, Archdiocese of Cincinnati.

NEWS STAFF

The first meeting of the staff of the Xavierian News will be held Monday at 11:50 in the Sanctum of the News, room 52, Biology Building. All members of last year's staff and those desiring to join must attend this meeting which will last only ten minutes.

What Are Views Of The President On Athletics?

"Fabulae aniles" and other small talk have been going the rounds ever since I came to Xavier. If it were confined to that, I should continue to regard it as idle gossip deserves to be treated. But when it takes on the character of a "whispering campaign" and includes gross misrepresentation of facts calculated to poison the minds of our student body and followers of our athletic activities, it is in order to make known the pertinent facts.

First of all, there is no intention of either doing away with football at Xavier or of letting future Xavier teams ease off into teams of High School Class. On the contrary, we intend to keep up the traditions established by the first class teams Xavier has had. Secondly, there is no intention of arranging future schedules which would be a series of set-ups. On the contrary, we hope to go on arranging games of the caliber of those on this year's schedule.

Neither is there a grain of truth in what some gloom-generators have presumed to spread, that everything has gone to smash athletically at Xavier. Far more season boxes have been sold already than were sold all last year. Tickets released for advance sale have been going like the proverbial hot-cakes. The spirit in the coaches and our squad is ideal, as you can see for yourselves if you consult them or observe the animated practices they are having. Scores of the alumni have generously offered to help in any way we wish to use them. And the work of a new season promises the highest degree of success. All we really need now is a break in the weather for the games themselves.

Twenty-two Men Added To Roster Of X Clef Club

Fall Activities To Be Outlined At Alumni Governors' Meeting

Twenty-two men have joined the Xavier University Clef Club for the coming season, according to an announcement made today by Charles R. Koch, president.

"Only a few members were lost through graduation," Koch said. "And with the new-comers, we should have one of the best choral groups that has represented Xavier in recent years."

John E. Castellini, for the past several years director of the Club, is again returning in that capacity, while Miss Margaret Marshall will again accompany the Club on the piano.

But Two Major Changes Made In "X" Faculty

Father J. Butler And Father Killacky Are Named New Teachers

Two major changes in the Xavier University faculty on the Avondale campus became effective with the re-opening of classes. Rev. James F. Butler, S. J., succeeds Rev. Augustine D. Theissen, S. J., who was transferred to West Baden, Indiana. Rev. Urban H. Killacky, S. J., fills the vacancy caused by the death of Rev. Claude J. Pernin, S. J., in June.

Father Butler's home is in South Bend, Indiana. Educated at St. Mary's College, St. Mary's, Kansas, he entered the Society of Jesus at Florissant, Missouri. He received his Master of Arts degree from St. Louis University.

Father Butler taught at Xavier in 1918-1919, when the Students' Army Training Corps was in operation at the college. He also taught at St. Ignatius High School, Chicago, 1921-24; Milford Novitiate, 1929-31; and West Baden College, 1934-31, in the same position assumed by Father Theissen. From 1932 to 1934 he did graduate work in mathematics at the University of Chicago.

He is a member of the Mathematical Association of America and the American Mathematical Society.

Father Killacky, new professor of English, is a native of Chicago where he received his early training at St. Ignatius High School. He joined the Society of Jesus at Florissant, Missouri, in 1904. He received his bachelor's and master's degree in English in the Jesuit Novitiate, Florissant. Ordained to the priesthood in 1919, he has since been on the English faculties of the following institutions: St. Mary's College, St. Mary's, Kansas, 1921-22; Campion College, Prairie du Chien, Wisconsin, 1923-29; John Carroll University, Cleveland, 1929-31; Loyola University, Chicago, 1931-35. At Loyola, Father Killacky held the post formerly held by the late Father Pernin.

He is the joint author with Rev. William J. McGucken and Rev. Marshall Lochbiller of a syllabus on English which is widely used in high schools throughout America.

Course In Heredity Offered By Fr. Phee

Preliminary plans for a course in "Heredity" to be given on the Xavier University Avondale campus this year one evening a week, were announced Thursday by Xavier officials.

The course, as planned, will show the influence of hereditary factors in human life. It will be conducted by the Rev. Martin J. Phee, S. J., head of the department of biology. Inquiries concerning the course are now being handled by the Registrar's Office, Jefferson 3220.

"Great Minds, Weak Wills Fill World"

President's Message Warns Students Of Emphasis On Material Things

FATHER BURNS SPEAKS

At First Student Assembly On Necessity Of Strong Will Power

Lashing at materialism as one of the most deadly enemies of the present generation, Rev. Dennis F. Burns, S. J., President of Xavier University, addressed the first student assembly of the year yesterday morning at the annual Mass of the Holy Ghost in Bellarmine Chapel.

"Unless we make a particular effort, we live only for these bodies of ours," Father Burns said. "We are living in a materialistic age. There are brilliant minds at work in laboratories and universities, and there are brilliant minds in the field of literature and journalism. The world is full of brilliant minds. But the world is also full of weak wills."

Father Burns stressed the supreme value of invoking the Holy Ghost to enlighten the mind and strengthen the will. As soon as we get the silly notion into our heads that we can go it alone, he said, we are lost.

Father Burns scored the modernists who consider men as animals and mere machines. If we listen to these innovators, we must admit that man has no reason to walk erect, he said. But the intellect and the free will raise man definitely and conclusively above the beast, he declared.

Father Burns emphasized humility and attacked the "tinkling brass" that seeks only knowledge. "Mere knowledge will never save anyone—will never make him a great man. Wisdom is greater than knowledge," he said.

"Your professors at Xavier will impart knowledge to you. But the difficulty does not lie in the field of knowledge. It is in the field of the will. Without the supernatural, we are reeds shaken by the wind."

"Don't over-emphasize knowledge—give it its proper place in your routine—but don't over-emphasize it. Cultivate an appreciation of the spiritual, the eternal things, things which the world needs to discover more than the secrets of nature."

"Everything in life must in some way be directed to its true purpose. And of all means calculated to direct us upon that path, I know of no means better than to call daily upon the Holy Ghost."

Xavier's Oldest Society To Hold Meeting Monday

Consistent Attendance To Be Made Compulsory To Members

Xavier's oldest and most traditional organization, the Poland Philopiedan Society, will open its ninety-fifth year of forensic activity Monday at 1:20 in Room 10, it was announced by Paul Barrett, president, this morning.

Changes in the requirements which are being planned by the Rev. Robert Manning, S. C. moderator of the society, together with the officers, will be announced at the initial meeting.

Consistent attendance and evident interest will be insisted upon, according to the plans being formulated. Students who were active members of the society last year and wish to continue their activity, are invited to attend the meeting Monday.

FALL ACTIVITIES TO BE OUTLINED AT ALUMNI GOVERNORS' MEETING

The Board of Governors of the Alumni Association will hold its regular September meeting next Tuesday evening at 8:00 o'clock in the Alumni Office, Biology Building.

President Joseph A. Verkamp will conduct the meeting. Fall activities of the Association including the date for Homecoming will be determined.

CONGRATULATIONS, FROSH

The first-year men at Xavier University are to be commended for the attitude they have shown toward the traditional freshman rules which will be inaugurated soon on the campus by the Student Council to be enforced by the members of the sophomore class.

By voting to retain the Frosh caps and to supplement this custom by wearing badges, the Frosh showed that they are not only willing to follow a tradition, but that they are sportsmen—the kind that are not afraid of a slight personal embarrassment for a purpose that will prove of great value to them in years to come.

The Frosh rules are not compiled merely for the misery of the novices and the enjoyment of the upperclassmen. The regimentation will temper their character, and besides impressing them with an appreciation of their membership in the student body, will force them to make some sacrifices to join that parade of real "X" men that has gone through the halls of Xavier during its many years of academic existence.

During the freshman week, the new-comers will become better acquainted with their fellow-students at Xavier, not as enemies but as friends. In uniting to withstand sophomore domination, they will become better acquainted with themselves; in deferring to the upperclassmen, they will become better known to the student body at large.

All friendships that grow up through the freshman rules will endure through the student's life.

And the freshmen are to be congratulated for their foresight in voting for a period of regimentation.

Remember, Freshmen and Sophomores, Juniors and Seniors, that a winning football team depends a great deal upon the spirit flashed by the students during game time. Cheer and sing the Musketeers to fame this year. Follow the band in singing Xavier's great victory song "Old Xavier For Aye" tomorrow night. Come on everybody, sing.

GLORY FOR XAVIER

Coach Joe Meyer, on the verge of his sixteenth year as head football Coach of the Xavier University Musketeers, is looking forward, as is all Xavier fandom, to the culmination of the 1935 football season.

Mr. Meyer will usher onto the playing field tomorrow evening a veteran team of gridgers to face the hardest, most powerful schedule in the annals of local football. As six of the now famous "iron mules" of Xavier, flanked on left end by Bob Dremann and driven by a veteran backfield, prance up and down Corcoran Field in their preliminary warmup, spectators in the stands will be asking one another, "Can Xavier have a successful season?" Time alone will tell.

As a strict editorial policy we will not predict the number of games Xavier will win or lose, we will, however, claim this — win or lose, the 1935 edition of the Musketeers will be a credit to the school.

They cannot help being successful. Led by their fighting Captain, Carl Jonke, the Musketeers will be playing with one purpose in mind, and that purpose is to further Xavier's honor and glory.

We are well acquainted with each and every man on the squad and we vouch for the sincerity and for the ability of each man. Gridgers representing Xavier have as their ultimate end the progress and extension of Xavier fame. Individual glory is taboo with Coach Joe Meyer and with each and every man on the squad. Stars may develop during the course of the season, but teamwork will be responsible for their success.

We feel that we are expressing the desires of every Xavier man in wishing Coach Joe Meyer and his 1935 team the best of success tomorrow evening against Georgetown College.

The
Week
In The
World

By Vincent E. Smith

INTERNATIONAL

The mobilization of British naval forces and the solid protest of Europe against Italian policy threw a scare into war-torn Rome last week as Premier Mussolini prepared to defend his stand against the League of Nations in regard to the forth-coming Italo-Ethiopian dispute.

The official report of the English admiralty contained no record of the huge fleet of 25 cruisers other than the departure from Portland on August 31, but it was known in reliable circles that the Armada would go to the Mediterranean to "protect" English interests there.

From Geneva where the League session is in progress, Maxim Litvinoff, Soviet envoy, emphasized the League Covenant as the only instrument of peace, while Greece, Roumania, Portugal, and others pledged their loyalty to whatever peace measures Geneva tries in the present crisis.

Mussolini was calm despite united opposition. Speaking through his cabinet in which he himself holds eight portfolios, he said that our "remaining in the League of Nations might be rendered impossible."

NATIONAL

That a Long It would arise over the political horizon in Louisiana appeared most unlikely early this week as plans were made for another special session of the Legislature, this time to repeal some of the laws passed at the demand of King Huey.

Except for a few of the senator's rubber-stamps who pushed a movement to raise his wife to Congress, sentiment was definitely in favor of a reconciliation with the White House, it was reported from Baton Rouge.

"The battle between Senator Long and President Roosevelt is over," said Congressman Paul H. Maloney, a political leader in the State. "Many of us think that a Democratic State should work with a Democratic President for the general good of the State, but as yet the whole thing is unsettled."

SCIENCE

Possibility that the bones recently unearthed in Crimea may be the remains of Neanderthal men was expressed in Moscow this week as an expedition from the Soviet Historical Museum continued to dig into the underlayers of clay near the Katcha river where a great variety of fossils have already been discovered.

Much light was thrown on the mode of life of the man, thought by scientists to be 40,000 years old. The party found knives, sculptures, and relics of 80 feet oval structures probably used as dwellings. Ethnologists were investigating the latter to determine whether they have any bearing on the present theory of the Great Migration.

SPORT

Coming from behind by a remarkable streak of sub par golf at the Cleveland Country Club last week, Lawson Little won the United States Amateur Championship for the second successive year, defeating 23-year-old Walter Emery in the finals, 4 up and 2 to go.

Three down after the third hole, Little was conceded little chance of recovering, but he soon got his bearings, tied the match by the end of the morning round, and then went on

to win on the 512-yard 34th hole with an Eagle 3.

THE THEATER

Helen Hayes, tired of Hollywood and anxious to get back to her work on Broadway, will probably be seen in the little role of "Victoria Regina" this season, it was indicated in New York as the actress embarked for England to confer with Lawrence Housman, author of the play.

Although Miss Hayes, who distinguished herself by her work in "Mary of Scotland," is still under contract for film work, her managers hoped to make a speedy settlement with producers. Miss Hayes did not like the Hollywood rules of diet and, on the whole, found movie work most disagreeable, it was said.

Four New Members To Be Elected To Mermaid Tavern

Tonight's Meeting Will Be Featured By Naming Of New Men

Joseph Gruenwald, host of the Mermaid Tavern, Xavier's literary group, under the direction of Rev. Paul Sweeney, S. J., announced Wednesday that the first Tavern meeting of the scholastic year will be held tonight at eight o'clock in the Finn Lodge quarters.

The purpose of the meeting will be to elect to the limited membership of the Tavern four upper-classmen to fill the vacancies left by the graduation of Richard Kearney, Roland Moores, Joseph Link, Jr., and ex-Host Vincent Eckstein. The new members will be selected from a list prepared by the faculty board, consisting of Rev. Edward Carigan, S. J., Rev. Paul Sweeney, S. J., Rev. Urban Killachy, S. J., and Mr. Charles Wheeler.

Those selected will be notified by the host within the next week, and at a future meeting will be inducted with fitting ceremonies according to the traditional ritual of the Tavern. At the beginning of the second semester a freshman member will be elected to the Tavern.

Members expected to attend the meeting tonight are: Host Joseph Gruenwald, Charles S. Blase, James E. Shaw, Leonard C. Gartner, Raymond J. Kemble, Jr., Frank X. Schaefer, and Vincent E. Smith.

Be a booster for your team . . . a participating policy pays dividends in life as well as in life insurance.

1935 Musketeer Year-Book May Be Procured

Issues of the 1935 Musketeer, university year book, are available to students who failed to call for their book last June.

Nelson Post, in charge of distribution, announces that several students now attending the university have failed to call for their books and unless they procure them before Sept. 24th, the books will be put on sale for those outside the university.

The Musketeer office, room 56 Biology Building, will be open everyday from 12:00 to 12:30, and on next Monday and Tuesday from 2:10 to 3:15 p. m.

STUDENTS ATTENTION!

Students activity books will be issued from the Registrar's Office on Thursday and Friday of this week.

Your Student Activity Book entitles you to admittance to all home regularly scheduled Intercollegiate Contests and to academic activities during the season of 1935-1936.

Activity Books are issued subject to certain conditions. These conditions are printed on the inside covers of the books. They will be rigorously insisted upon. Read them carefully before you sign your name.

Your attention is especially called to the following:

- (1) This Student Activity Book is not transferable, and if presented for admission by anyone except myself, it will be forfeited.
- (2) I agree to identify myself as often as required.

President Of German Club Outlines Year's Activities At Meeting

Holding its first meeting of the year, on Wednesday, September 18th, at 12:15 p. m., in room 10, The Heidelberg German Club began its activity with an impressive attendance. Besides a complete representation of old members, there were many new faces.

Joseph Nieman, president, after extending an invitation to all present to become members of the club, outlined the activity of the club, pointing out the benefits derived from an intimate review of German affairs and literature.

As in the past years the regular meetings will be held at the Palace Hotel. The Society will meet once a month at the hotel.

The first meeting will be held October 2, at 8 P. M.

COLORED SHOES FEATURE MEN'S FALL FASHION

That colored shoes for men's fall and winter wear are more than a passing fad is evidenced by the large sales volume in this type of footwear and the acceptance of the style by Greater Cincinnatians, according to a report just received from the Potter Shoe Co., 24-26 East Fifth Street.

Cincinnati shoe men have been so impressed by the response to the trend in color in men's shoes that they are stocking heavily to conform

with it. Most favored of the new models are the green blue and brown reverse calfs, commercially known as the "Muleskin," the report shows.

The college campus has been recognized as the "proving ground" of style for the past few years and word has been received that many of the Eastern colleges already have adopted the colored-shoes-for-men policy.

"Camels don't get your Wind"

FAMOUS ATHLETES SAY

Some of the famous athletes who approve of Camel's mildness

BASEBALL: Dizzy Dean; Lou Gehrig; Melvin Ott; Guy Bush; Harold Schumacher.

TENNIS: Ellsworth Vines, Jr.; George M. Lott, Jr.; William T. Tilden, II; Bruce Barnes; Lester R. Stoefer.

GOLF: Gene Sarazen; Craig Wood; Tommy Armour; Willie Macfarlane; Helen Hicks; Denny Shute.

TRACK AND FIELD: Jim Bausch; George Barker; Leo Sexton.

SWIMMING: Helene Madison; Scrubby Kruger; Susan Vilas; Josephine McKim.

DIVING: Harold ("Dutch") Smith; Georgia Coleman; Pete Desjardins; Sam Howard.

WINTER SPORTS: Irving Jaffee; Raymond Stevens; Bill Cook; Jack Shea; Paul Thompson.

It's just as important to you to keep "in condition" as it is to any champion. Smoke Camels all you wish. Enjoy those costlier tobaccos! Athletes say Camels never upset the nerves, never get the wind.

So Mild! YOU CAN SMOKE ALL YOU WANT

"Let's have a Camel," says Mel Ott (right), heavy-hitting Giant outfielder, to Harold Schumacher, ace pitcher. They agree that Camels have real mildness. Mel says: "I smoke all I want, yet keep in good condition. Camels are so mild, they never get my wind or bother my nerves." And Hal adds: "To my mind, that settles it! Camel is the cigarette with real mildness. I'd walk a mile for a Camel!" • In baseball, and in all the strenuous sports, leading athletes cite the fact that Camels are mild. And to this impressive evidence of Camel's mildness is added the experience of people in every walk of life who wish to smoke freely and keep fit.

COSTLIER TOBACCOS!

Camels are made from finer, MORE EXPENSIVE TOBACCOS—Turkish and Domestic—than any other popular brand.

(Signed) R. J. REYNOLDS TOBACCO COMPANY, Winston-Salem, N. C.

© 1935, R. J. Reynolds Tob. Co.

Musketeers To Open Season Here Friday Evening With Georgetown Tigers As Foes

Tigers To Put Veteran Team On The Field Against Xavier Squad

AT CORCORAN FIELD

Xavier Gridders Held Most Promising In History Of University

Swinging out of the fieldhouse tomorrow evening in a long line of Blue and White, will come the 1935 edition of the Musketeers, led by Captain Carl Jonke, to glitter under the floodlights in their opening game against the Tigers of Georgetown College.

Since last November, Xavier followers have been heralding the advance of a great team. The downtown experts have been both expectant and enthusiastic. A powerful freshman team has developed into promising sophomores, and for the past two weeks Joe Meyer has been grooming the squad for the opening of his sixteenth campaign as Xavier mentor.

In that line of Xavier fighters will be stars who are destined to twinkle brightly in Musketeer football history. With but two exceptions, the first team to boom down the field in warmup dashes, will contain the powerful "Iron Wall" from last season.

Bob Dreman, the Cleveland battler, has virtually clinched ex-captain Tom Schmidts' old place at left end. At center, Fred Nebel, a husky Sophomore from Chicago, will make his debut, taking over the post left idle when Meyer shifted Joe Kruse to tackle.

Working with Nebel at the guards

will be Captain Jonke and "Bull" Janson, two of the classiest performers to pull out of a Xavier line in many seasons.

At the tackles, Bucklew and "Nick" Sigillo will open their last campaign for the Blue and White. Buck will be called upon to handle the kicking duties again, while his room-mate, Sigillo, is clouting them over from the right side of the line.

Coupled with Dreman at the other end, is that old reliable "Iron Burro" Russ Sweeney. Minus a bothersome appendix, Russ is looking forward to making his last year at Xavier his best.

With the exception of Leo "Twinkle Toes" Sack at quarter-back, all the backfield berths are in doubt. The Mighty Mite will again be an eyesore for opposing ends. "Mugger" Wunderlich, the Aurora trickster, will hardly be pushed out of his halfback position, and from practice performances, Tony Schmieg will be his running mate at left half. However, such backs as Haffey, Cummins, Koprowski, and Mahoney are all capable of regular assignments.

The fullback position is a matter of drawing straws between Jim Farasey, the Cleveland plunger, and Joe Schuhmann, a Louisville favorite. Both are powerful blockers who love the tough going. Farasey excels in a broken field, while Schuhmann is a defensive wizard behind the line.

Georgetown, while somewhat stronger than the usual "first nighters," should provide no trouble to Coach Meyers' outfit, and before the evening is over, the fans will have undoubtedly seen such old favorites in action as McCormick, Overbeck, McKenna, Kruse, Koprowski, Daragh, Haffey, and Shaw.

Band To Play At Opening Game Of Football Season

Mr. Bird Will Not Return To Direct Band; No Successor Named

Despite the lack of a director, due to the absence of Mr. George "Red" Bird, the Xavier University Band will play at the first game of the gridiron season tomorrow evening.

Mr. Bird, popular director for the past three years, was unable to accept the position this season because of a position as music supervisor in a northern Ohio city. Richard Reichle, student director last season, will direct until the appointment of a new man for the position.

At the first meeting of the band, held Friday, ten new members applied, eight of whom were freshmen. This more than fills the vacancies left by the graduation of five members last June.

Rev. John V. Usher, moderator of the band, has announced that letters will be awarded to last year's members in the near future, probably within the next two years.

SCHEDULE			
Probable starting lineups for tomorrow night's game are as follows:			
XAVIER		GEORGETOWN	
Dreman	L. E.	Robinson	
Bucklew	L. T.	Powell	
Janson	L. G.	Shallers	
Nebel	C.	Day	
Jonke (C)	R. G.	Clark	
Sigillo	R. T.	Tudor	
Sweeney	R. E.	Grossman	
Sack	Q. B.	Edney	
Wunderlich	H. B.	Patrick	
Schmieg	H. B.	Shields	
Farasey or		Hawkins	
Schuhman	F. B.		

Kentucky, Centenary And Mississippi Are Features Of Strong Xavier Schedule

Such Traditional Rivals As Centre And Haskell Also Slated

FOR CORCORAN FIELD

St. Louis Billikens Only Opponent To Be Met Away From Home

When Xavier lines up against the Georgetown College Tiger's tomorrow night, the Blue and White warriors will be opening a schedule which will carry them against some of the best football talent in the country.

One week after the Georgetown encounter, the Big Blue will tangle with Chet Wynne's Wildcats from the University of Kentucky in what will probably be the tastiest football morsel offered fans in these parts for several years. The Musketeers are eager to avenge their losses to Kentucky on the basketball floor and are priming for the tussle. The Iron Wall will get its first test of the season in attempting to stop Bert Johnson and Bob Simpson, hard-running Wildcat backs.

After Kentucky, comes a heavy West Virginia Wesleyan team on October 4. Len Barnum, an outstanding candidate for All-American fullback honors, will lead the parade of shifty backs and powerhouse linemen from the mountaineer state.

On October 11, Transylvania trots out on Corcoran field for a game born of tradition and colorful rivalry. Joe Meyer's boys should have little trouble taking "Monk" Simons' band into camp. This will be the second team in four weeks to come out of Lexington, Kentucky against the Xavierites.

The Indians, moved up from the annual Thanksgiving spot, will whoop in from the Haskell range on October 18, for a game that promises to be replete with thrills, color, and Xavier lore.

Major Ralph Sasse, who coached the Army to some of its greatest triumphs a few years back, will make his debut in Xavier's first sunlight game on October 26. Bringing Bob Armstrong, the South's greatest passer, and a veteran team, Major Sasse hopes to stop the Musketeer advance cold.

Centre College, minus their two great touchdown twins, Hamilton and Hendren, will show their wares in the Muskies' backyard on November 9 in another afternoon setto. Leading the Colonels will be "Wild Bill" Bartlett, who handled the touchdown end of the winning pass against Xavier last year.

Taking their first trip since losing to Loyola at New Orleans in 1933, the Musketeers will ramble to St. Louis for a return engagement with the giant Billikens of the "show me" state. Captain Jonke and company are determined to come off with better than the 7-7 tie posted here last year.

The Big Blue closes its season on Thanksgiving against one of the powers of the South — Centenary. The Muskies look to this game as the stiffest on the schedule, and Xavier fans should be treated to an afternoon of excellent football when these two tangle in the finale. "Little Centenary" has sent many all-Americans to the football wars — its latest being Paul Geisler, an end, in 1931 — and for the fifth time in the season Xavier will stack up against a team of inter-sectional repute.

We don't know what MR. COCHRANE smokes and he is not endorsing our cigarette but he is an outstanding man in the baseball world and has won his place on merit

In the cigarette world, Chesterfields are thought of as outstanding... — they have won their place strictly on merit

Outstanding

.. for mildness .. for better taste

MICKEY COCHRANE—of the Detroit Tigers, American League Champions; player-manager, one of baseball's greatest catchers.
